**Directions:**

Each statement on this opinionnaire expresses a feeling that a particular person has towards science and geography. You are to express, on a five-point scale, the extent of agreement between the feeling expressed in each statement and your own personal feeling.

The five points are:
- Strongly Disagree - **SD**
- Disagree - **D**
- Undecided - **U**
- Agree - **A**
- Strongly Agree - **SA**

You are to cross out the box of letter(s) which best indicates how closely you agree or disagree with the feeling expressed in each statement **AS IT CONCERNS YOU**.
